

Memo/Reply From  
JOSHUA LEDERBERG

TO: Dick Furland

Dear Dick,

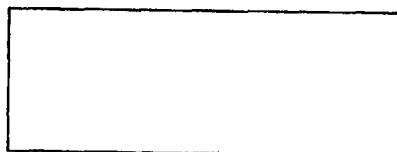

OCT 11 1980

"Academic problems with industry"

- once again proved to be illusory,  
but I am glad that we could jog our  
colleague back on the right track.

So there is nothing you need exert  
yourself for after all. However, I am  
glad it raised the occasion to bring the  
work on N-Acetyl Procainamide to your  
attention ... and I will jog our friends  
further to be sure no other "road blocks"  
are imaginary.

Yours,  
Josh.
